Re: FOIA Request for Quendall Terminals

Ms. Schneider:

On behalf of Quendall Terminals, please accept this letter as a formal request for copies of certain records in the U.S. Environmental Protection Agency's ("EPA") possession concerning Quendall Terminals, located at 4503 Lake Washington Boulevard North, Renton, WA (the "Site"). We request copies of any information request that EPA has sent pursuant to CERCLA Section 104(e) to Puget Sound Energy ("PSE") related to the Site since EPA sent the supplemental 104(e) information request on or about March 6, 2014. We also request copies of any and all material that PSE provided in response to any such request. Records provided should not include any of the documents we received under our prior FOIA requests (10-FOI-00329-11 and R10-2014-007643), which pertained to PSE's responses to EPA's initial and first supplemental 104(e) requests.

Please forward copies of this information to me, along with your invoice for the costs incurred in responding to this request, and I will see that you are promptly reimbursed.

Thank you for your assistance with this request. If you have any questions, please feel free to call me at (425) 646-6124 or Ms. Lynn Manolopoulos at (425) 646-6146.

Very truly yours,
